Most kitchens in France will have a box or sugar bowl full of cute little sugar cubes that you can pop in your beverage. Some are just little cubes or circles but many come in more unique shapes like clovers, hearts and diamonds. Or in little packets that come in flavors like vanilla. Sure beats scooping out your sugar with a teaspoon!

Things you find in kitchens in France

Rue Saint-Honoré. One Fine Stay. This gorgeous, rustic yet refined kitchen is located in the popular Rue Saint-Honoré. It has all the romantic charm of the French countryside without compromising the creature comforts of a modern kitchen. We love the homey vibe and modern look fused with cutting-edge appliances.

A Kitchen in France : Manger

A Dutch native with a penchant for French designs created this distinctive, and highly personal, kitchen. Blue Frisian tiles, marble floors, and a salvaged mantel shelf tie the kitchen to the homeowner's homeland. The statuesque stone table was found in shards before being rebuilt to function as an island. 21 of 23

A kitchen island can help maximize your counter and storage space, but in so doing, it will take up some floor space. Before you buy, measure the area where you intend to place the island. Make sure there will be enough room for you to walk comfortably around the island and that the doors of nearby cabinets and drawers will have enough clearance.
