partner.

Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-

In instructing a font it is important to decide the minimum number of pixels per em at which the font is expected to be used. If it is intended for use only on printers or typesetters, the task of instructing is vastly simplified. Typically the goal is a font that is readable at screen sizes on a 72 dpi device.
