To answer this question, this collection of essays explores the

File Type PDF

Asexualities

Feminist And

Queer  
politics of asexuality.

Asexuality is

predominantly

understood as an

orientation describing

people who do not

experience sexual

attraction. In this

multidisciplinary

volume, the authors

expand this definition

of asexuality to

account for the

complexit

Feminist And

## **Feminist and Queer Perspectives**

As the first book-length collection of critical essays ever produced on the topic of asexuality, this book serves as a foundational text in a growing field of study. It also aims to reshape the directions of feminist and queer studies, and to radically alter popular conceptions of sex and desire.
