While there thousands of eBooks available to download online including the ones that you to purchase, there are many websites that offer free eBooks to download.

### Contemporary Drug Policy New Directions

Whereas drug policy typically centres on the problems of illicit drugs or licit drugs used in illicit ways or circumstances, Contemporary Drug Policy instead considers the wide variety of substances we call drugs as a normal part of our personal and social experience and asks how and when drugs benefit us as well as how and when they are harmful.

Do we now change direction and adopt a new, sensible drug policy that, among other things, acknowledges the differences between drugs and treats different drugs in the most appropriate way? To support a well-designed change of direction, we provide specific policy-related information on each of the following drugs: cannabis (including medical cannabis ), heroin and other opiates , crack cocaine and alcohol .
