Dream Children A Reverie
CHILDREN love to listen to stories about their elders, when they were children; to stretch their imagination to the conception of a traditinary great-uncle or grandame, whom they never saw. It was in this spirit that my little ones crept about me the other evening to hear about their great-grandmother Field, who lived in a great house in Norfolk (a hundred times bigger than that in which they and papa lived) which had been the scene—so at least it was generally believed in that part of ...
"Dream Children" is a formally unique essay, channeling the logic and flow of a dream in a series of long sentences of strung together phrases and no paragraph breaks to be found. Lamb deftly uses these stylistic conceits to pull the reader into a reverie, creating a sense of tumbling through this dream world with its series of dovetailing tangents.
