backyard or front yard design with these ideas, tips, and projects Updated 4/17/20. Updating your home's landscaping is a great way to increase the value of your property and create outdoor spaces for relaxing and entertaining. Whether you want to focus on increasing your curb appeal with a reimagined front yard, create a backyard retreat with dining and entertaining areas, or both, there are many options and features to consider.

Landscape Design - Garden Design

Whether it's a manicured front lawn, stone-paved pathway or intricate landscape design, landscapes benefit from the same attention to detail that the interior of your home does. Well-executed landscaping ideas can upgrade your home's entire aesthetic, and the right plants, flowers and shrubbery can greatly enhance your curb appeal by adding color, texture and even fragrance to your yard.

The idea is that an element of architecture (for example, a doorway, or a building edge, even a window mullion) or a distinctive landscape feature (prominent tree, existing pool, property boundary) can “generate” an imaginary line that helps connect and organize the design. For example, in laying out one backyard, I projected the lines of its building addition into the garden space and then aligned the swimming pool and wooden walkway with those lines.
