The Similarities And Differences Of Greek Empires And Han China. 895 Words4 Pages. Ancient civilizations possessed a variety of cultures and unique belief systems within their particular societies. The Greek city-states and Han China were separated by thousands of miles and located on different continents. These exceptional communities of power are polar opposites to each other, but in fact share a common sense of structure.

The Similarities And Differences Of Greek Empires And Han ...

The east to west length of the Han Empire dwarfs the city-state of Athens. The maps of Classical Greece and Han China display the basic geography of each area. The surrounding area of Attica around Athens covers less than a 50 mile by 150 mile area, and Athens was only a fraction of that. On the other hand, Han China expands approximately 3,000 miles east to west...show more content....

Comparison between Classical Athens and Han China | Bartleby

Argument: the Han were at war with the Xiongnu. Sure, many died near the Great Wall by fighting the Xiongnu. But the Great Wall helped all of China by keeping the fighting near the wall, and away from the cities. How much worse would the war have been if the Great Wall weren't there and the fighting took place in the cities of China?
