## **History of Western Political Thought/Political Theory I ...**

Western political philosophy from the start of the 20th century Nineteenth-century European civilization had been the first to dominate and pervade the whole world and to create a new self-sustaining productivity in which all eventually might share. But, as Saint-Simon had pointed out, this civilization had a fatal flaw.

A History of Western Philosophy is a 1945 book by the philosopher Bertrand Russell. A survey of Western philosophy from the pre-Socratic philosophers to the early 20th century, it was criticised for Russell's over-generalization and omissions, particularly from the post-Cartesian period, but nevertheless became a popular and commercial success, and has remained in print from its first publication.

## **A History of Western Philosophy - Wikipedia**

The discussion of leadership in Western political philosophy has been marked by a durable tension between the expertise and creative possibilities of leadership, on the one hand, and the dangers of leadership, the need to control the exercise of power, on the other. A parallel tension is expressed in the stark contrast between a ruler doing whatever he thinks he needs to do to retain his power ...

## **History of Western Political Thought by John Morrow ...**

Plato appears to have been the founder of Western political philosophy, with his Republic, and Laws among other dialogues, providing some of the earliest extant treatments of political questions from a philosophical perspective. Plato's own most decisive philosophical influences are usually thought to have been Socrates, Parmenides, Heraclitus and Pythagoras, although few of his predecessors' works remain extant and much of what we know about these figures today derives from Plato himself.
