The belief that there's another life awaiting us after our mortal existence ends is widely held and predates recorded history. While cultures such as the ancient Egyptians believed existence continued in "the Land of the Dead," modern Christian beliefs offer an afterlife in Heaven as a reward—or in Hell as a punishment.

Near-Death Experiences: Glimpses of the Afterlife

Such patients are often safe to discharge after an ER assessment, but prompt follow-up is virtually always recommended because they often need more tests and ongoing management of the chronic illness to avoid getting sicker, even with good care in the ER. Patients seen by their own doctors after
