Heidegger is all about the question (and the question of the question). "What for?" reduces the question to one of use, whereas Young's "Why" is much stranger, totally unexpected, and much more open. In addition to the high quality of Young's translations, this book is invaluable for being the first translation of Off the Beaten Track.

While sadly the interior of the oldest winery in central Paris is closed to the public, as you're exploring Paris off the beaten path, be sure to make your way to the picturesque edges of Le Clos Montmartre. Built in the 1930s, this is still very much a working winery and produces around 800-1000 bottles of wine each year.
