Paging God Religion In The

"Paging God is essential reading for those interested in the ever-shifting place of spirituality in American healthcare and society. Weaving interviews from patients, staff, doctors and chaplains into a fascinating story of the power of religion and spirituality in the lives of those struggling with illness and death, Wendy Cadge's study excels in scientific objectivity—but with sensitivity to the nuanced role of religion in the lives of people involved in the hospital experience."

Paging God: Religion in the Halls of Medicine ...

In *Paging God: Religion in the Halls of Medicine*, Cadge shifts attention away from the ongoing controversy about whether faith and spirituality should play a role in health care and back to the many ways that these powerful forces already function in healthcare today. [Show More](#).

Paging God - So What Faith

In my recently released book, "*Paging God: Religion in the Halls of Medicine*," I find that physicians, nurses and chaplains in large academic hospitals conceive of religion and spirituality in a host of ways that make communication and interdisciplinary care that includes religion and spirituality difficult. While nurses generally make room for patients' religious and spiritual backgrounds, many physicians are less prepared to offer spiritual support in their own or other faith traditions.
