Of The Sociology Of The church. Along with enlightening us about his early positions on sin, evil, solidarity, collective spirit, and collective guilt, the volume unfolds a systematic theology of the Spirit at work in the church and what this implies for questions of authority, freedom, ritual, and eschatology.

...

summary. Now in an affordable paper edition, Sanctorum Communio is more readily usable for teaching and scholarship. The work, available in this series for the first time in its entirety in English, includes all material omitted from the original 1930 German publication. Bonhoeffer's doctoral dissertation sets out the theology of sociality that informed all his work, engaging social philosophy and sociology to interpret the church as "Christ existing as church-community."
