This exposure to cutting edge cancer research led Dr Jennings to pursue additional cancer care internships while in medical school. In 2005 she first met Barbara MacDonald and spent the next years working closely with Dr MacDonald in the teaching clinics, learning more of the specifics of complementary and alternative cancer care.

The Breast Cancer Companion | About

The Flights That Save Breast Cancer Patients' Lives. The physical, emotional, and financial strain that come with a breast cancer diagnosis is immense, but for LeeAnn, and for others like her, distance compounds that strain. LeeAnn had to drive 500 miles just to reach her life-saving chemotherapy appointments.
