As illustrated by some of quotations above, proslavery writers typically appealed to some version of utilitarianism, maintaining that slavery serves a greater social good—that it tends to promote the “public weal” (Thompson) and “happiness on the whole,” (Parsons), And lest they concede that the freedom of some should be sacrificed for the welfare of others, many of the defenders of slavery maintained that even slaves are better off and happier than then would have been in Africa.

An Overview of Some Proslavery Arguments | Libertarianism.org

The efenders of slavery in the south had several arguments that they used to rationalize slavery. One argument was that ending slavery would destroy the economy in the south. Another pro-slavery argument was that slavery was a natural state of mankind since it has existed throughout history. The southern states to this day are the agricultural surplus for all of the United States crop production. For centuries, slaves were the most efficient and cheapest way to produce and harvest crops.

Pro-Slavery Argument - PHDessay.com

Understanding With an argument that was as much a critique of industrialism as it was a defense of slavery, Southern spokesmen contended that chattel slavery, as it was practiced in the American South, was more humane than the system of “wage slavery” that prevailed in the industrial North and Great Britain.

A Pro-Slavery Argument, 1857 - America in Class ...

Southern preachers insisted that slavery was acknowledged within the Bible and that Jesus had compelled enslaved people to be obedient to their masters. Moreover, millenialists such as James Henley Thornwell (1812–1862) argued that slavery was a necessary evil that must exist until humanity achieved spiritual perfection via the second coming of Christ.
