Note that some of the "free" ebooks listed on Centsless Books are only free if you're part of Kindle Unlimited, which may not be worth the money.

The Social Dynamics Of Family

"The Social Dynamics of Family Violence is a unique contribution to the family literature. The book provides a systematic examination of all forms of family violence (from intimate partner violence to child abuse to elder abuse to violence in gay and lesbian families) and does so in sociological fashion—social conditions and institutions (e.g., poverty, racism, and patriarchy), rather than individual-level factors, are highlighted as the driving forces.

How Interpersonal, Cultural & Social Dynamics Affect ...

The influences of family dynamics will, of course, vary from family to family, and will often include previous generations, as well as the current living generations. Socio economic factors, class, culture and geographic location will also play key roles in how family dynamics are established, maintained and also fractured.

Family dynamics and the roles we play - Counselling Directory

Family dynamics is the way in which members of a family interact with each other in relation to their individual goals and preferences. Although the family is a unit, people are individuals. In order for a family unit to be cohesive, all of the members must find some sort of balance between personal interests and the best interests of the unit.
